

SHIPWRECKS - WORKSHEET

Complete this worksheet to test your observation skills.
Re-watch the video, and re-read the fact file if you need to.

Have you got what it takes to be an ocean explorer?

Name: _____ **Date:** _____

1. Can you spot the following species? Note down the timestamp from the video for each...

Bib: _____

Common Lobster: _____

Human: _____

2. How many common Sea Urchins can you count? (0-10, 11-20, 21-30, 31-40, 40+)

3. Which of the fish spotted in this video often form large schools?

4. Which of the species above are commercially important in fisheries? (Hint: Think about which you might see on a menu at a restaurant)

5. How deep down under the sea is the Dove wreck? What equipment must these scientists be using to do this survey?

6. What type of boats are the Dove, SS East Neuk and the Peanut Ship?

7. How did the Odense sink?

8. Why did many ships sink in Berwickshire in the 1800's and 1900's?

9. Why do less shipwrecks occur today? Give an example

10. What are the white organisms shown in the photos on the worksheet?

11. Why do you think marine life might gather around shipwrecks?
