- **3,200**

3. Name three species you can find on the snorkel trails.

- *Any of the following (and even more!):*
 - **Wrasse; blennies; cuttlefish; spider crab; seahorse; ray; catshark; seahorse; anemone**

4. Name a marine habitat you can spot while snorkelling.

- *Any of the following:*
 - **Kelp; rocky reefs; seagrass; seaweed**

5. How big is Jersey's tidal range?

- **12m**

6. Name three safety rules everyone should follow before going snorkelling.

- *Any of the following:*
- **Snorkel when the tide is going out between mid to low-tide**
- **Don't snorkel in bad weather**
- **Check the tides and currents**
- **Only snorkel if you are a strong swimmer**
- **Be aware of moving vessels**
- **Stay close to the shore**
- **Make sure you have the correct equipment that fits properly**
- **Don't snorkel if you feel unwell**
- **Never snorkel alone**
- **Stay close to the shore**
- **Protect yourself from the sun**
- **Leave your valuables somewhere safe**

7. How can you look after the sea and its marine life when you go snorkelling?

- **Make sure your fins don't hit anything below you**
- **Don't touch any animals- the sea is their home!**
- **Leave shells and rocks in the sea**
- **Collect litter to put in the bin**

8. How can you help scientists monitor biodiversity on the Jersey Snorkel Trails?

- **Downloading the 'Epicollect' app and adding information on what you see during your snorkel at Snorkel Portelet or Snorkel Bouley.**

9. What is a No-Take Zone (NTZ) and where is the only NTZ in Jersey?

- **You can't fish or take anything natural out of the water or on the beach. This is to create a safe sanctuary for marine life. Portelet is currently the only NTZ in Jersey.**

10. What do you think the most important message in this factfile is and why?

- **Answers may vary- give to your teacher or swap with a partner to see if they agree with your answer!**
